

# CARPET PATCH RECTANGULAR

design Alessandro Mendini

This drawing belongs to the series of pictorial tables “Mostri” designed by Alessandro Mendini in 2014. He had many references, from the naive of the Amazon, to the signs and the utopias typical of his design thought. A pattern of pure fantasy, composed in patch-work with heterogeneous and inhomogeneous parts, capable of arousing non-describable hypotheses of ancient tales.
